

DISCOVER PLANTS AND WILDLIFE

*"In the end, we will conserve only what we love;
we will love only what we understand, and we will
understand only what we are taught." – Baba Dioum*

Find a nearby greenbelt or creek that you can explore to develop your child's curiosity and love of the environment. Look for flowers, insects, rocks and fish and see how many different species you can find. For more ideas, visit www.naturerocksAustin.org.
